**Strengthen Weak Kidneys**  
Don't suffer longer with weak kidneys. You can get prompt relief by taking Electric Bitters, that wonderful remedy praised by women everywhere. Start with a bottle today, you will soon feel like a new woman with ambition to work, without fear of pain. Mr. John Dowling of San Francisco, writes: "Gratitude for the wonderful effect of Electric Bitters prompts me to write. It cured my wife when all else failed." Good for the liver as well. Nothing better for indigestion or biliousness. Price 50c and \$1.00 at Laurens Drug Co. and Palmetto Drug Co.

**Correction As To Seining.**  
In its last issue, The Advertiser stated that the close season in Laurens county for seining was between April 1st and Nov. 1st. This is a mistake. That is the close season in most of the counties, but in Laurens and several others, seining is illegal only between April 15th and July 15th.

All those who have a torpid liver, weak indigestion or constipated bowels, look out for chills. The season is here and the air is full of disease germs. The proper thing to do is to put your liver in good condition and purify the stomach and bowels. DR. M. A. SIMMONS' LIVER MEDICINE is the right remedy. It answers the purpose completely. Price 25c per package. Sold by Laurens Drug Co.
